**General Conditions:**

**Recall and Disposal:**

a. The Supplier must ensure the quality of products until the time of acceptance by the procuring entity. In case of product recall due to safety issues, efficiency concerns, and quality defects, the supplier shall communicate and coordinate with the Market Authorization Holder, the Food and Drug Administration, and other stakeholders, and perform its functions to ensure successful product recall in compliance to the Guidelines on Product Recall provided for in FDA Circular No. 2016-012, dated July 25, 2016.

b. In case of product recalls, damage due to replacement, the costs associated with the proper handling or pull out from health facilities where the items have already been distributed shall be borne by the Supplier if this is in accordance with FDA Circular No. 2016-012, and the approved product recall strategy of the Market Authorization Holder.

**Labelling Instructions:**

Standard labelling as approved by PFDA pursuant to AQ 2013-001B.

The round metal gong of the Cordillera known locally as "tanggub" is a symbol of the upland people's culture that has been passed on from generations to another.  
 The profile of a person blowing a "tanggub" represents a community being called for an important matter or action.  
 The lines that shape the mountains, the rice terraces, clouds and rivers symbolize the connectivity and flow of human interaction in a geographic area such as the Cordillera.  
 All the symbols combined represent unity and harmony of its people with culture and environment in beating the gong for
