The **round metal gong** of the Cordillera known locally as "**gangsá**" is a symbol of the upland people's culture that has been passed on from generations to another.
 The **profile of a person blowing a "tanggayub"** represents a community being called for an important matter or action.
 The **lines that shape the mountains, the rice terraces, clouds and rivers** symbolize the connectivity and flow of human interaction in a geographic area such as the Cordillera.
All the symbols combined represent unity and harmony of its people with culture and environment in beating the gong for Self-determination.
